It is with great regret that the Committee has to report the resignation of the President, Capt. Sir R. Fitzgerald Glyn, Bart., D.S.O. who for a number of years has helped the Hospital by his active interest in many of its major developments. The Committee desire to express its thanks for this valuable service.

The report of the Medical Staff is printed on a later page, and once again we extend our thanks to them and to the Consulting Surgeons for their valuable services.

The Hospital's financial position remains satisfactory, a full statement of which is published on another page. The annual programme of improvements and renovations this year included the Hall, several Wards, the Anaesthetic Room, etc., etc., which have been redecorated.

There was a change of Matron and Staff in May, and the new Matron and Staff have worked with a will and with much success, with the result that the whole organization has been running smoothly and efficiently, and the Committee believes that a substantial saving in Expenses will result.

During the period under consideration free beds were occupied for 248 days. Like all hospitals we have had our bad debts.

The Committee has co-operated with the Dorset County Council with regard to its various clinics. An eye, ear, nose and mouth Clinic and an orthopaedic Clinic have been held for some time past, and to these has been added an Ante-Natal Clinic. In this matter we are among the pioneers of the smaller hospitals in the County.

A further proof that the Hospital is abreast with the times and is not blind to the growing needs of the district is evidenced in the consideration now being given to its present services. It has long been recognized that a new Out-Patient Department and a new Maternity Ward are required: and the Mayor, Dr. Arnott, with the concurrence of this Committee, has undertaken to open a fund for this purpose, and Subscriptions are earnestly desired to make this project a success. The County Medical Officer of Health is much in favour of this scheme and is very anxious to have a Maternity Ward in this Hospital. In this way it is believed that the Hospital will become a still greater influence as an educational force in all matters of Health in this area.

It is encouraging, therefore, to find that these efforts have drawn more people to subscribe to the Hospital funds, which have benefited to the extent of £48.

The Committee expresses its thanks to members of the Linen Guild for their continued good work.

The Committee also wishes to extend its gratitude to the Matron and Staff, the Hon. Chaplain, the Hon. Treasurer, the Hon. Secretary and the Hon. Auditors for their devoted efforts on behalf of the Hospital. It also desires to thank the Carnival Committee for an especially good year, the Shaftesbury Hospital League, and the various Churches and organizations in the district.

The Committee is again happy to record its appreciation of the help given by the Hospital Leagues, and to re-affirm its faith in a movement that is so beneficial to Hospitals and Members.

Finally the Committee is confident that the work done in the past year has been of real and lasting value, and appeals to subscribers to continue their generous support and endeavours so that this improvement may be maintained and the influence of the Hospital extended

JOHN HASTINGS,
Chairman.

Annual Medical Report for 1935

THE total number of patients received during the year ended September 30th, was 619; of these 262 were in-patients and 357 were out-patients so that although the total shows a decrease of 31 cases admitted the number of in-patients was increased by 2. There were 131 operations performed and 59 minor operations, making a total of 190.

X Rays taken were 163, the number of photographs being 239.

There were 6 deaths during the year, a considerable decrease on last year, which was 19.

There were 192 accidents treated as against 133 in the last year, an increase of 59.

U. V. Ray treatments were 92 as against 90 in the last year.

The number of League patients treated as in-patients was 140, and out-patients 216, showing that the Hospital League is largely availed of.

The total number of days spent in Hospital was 4011. The number of attendances by out-patients 1371. As mentioned in my report last year the out-patient department is not adequate and a new out-patient department with a waiting room, and properly equipped, would be a great advantage to the Hospital.

The Ambulance has done very good work during the year. They are always ready and willing to bring in accidents at any hour of the day and night, and thanks to the efficient manner in which they handle the patients a great deal of pain is saved, and the patients are brought to the hospital promptly.

The members of the Medical Staff have nothing but praise for the efficiency and courtesy of the Matron, Miss Sharpe, and her nursing Staff.

NORMAN I. TOWNSEND,

Hon. Sec. Medical Staff.

The Hon. Treasurer's Report for 1935.

THE Hon. Treasurer has the pleasure in presenting to the Subscribers the Annual Statement of Accounts.

The Income for the year 1935 was £2,202 15s. 4d. as compared with £2,213 5s. 1d. for the previous year, showing a decrease of £10 9s. 9d. which, with the credit balance brought forward of £309 17s. 8d. from 1934 and with £66 7s. 4d. *per contra* Extraordinary Repairs and Improvements brought in for 1935, makes a gross total of £2,579 10s. 4d.

The Expenditure for the year 1935, exclusive of the above mentioned amount of £66 7s. 4d. non-recurring expenditure, amounted to £2,191 11s. 5d. compared with £2,230 0s. 4d. for 1934, showing a decrease of £38 8s. 11d. and leaving a credit balance of £321 1s. 7d. (from which must be allowed out-standing accounts for £300) on the year's working, as compared with a credit balance of £309 17s. 8d. brought in for 1934.

It should be noted that, despite a decrease in Ordinary Expenditure on the year of £38 8s. 11d. as stated above, your House Committee have had in mind the comfort of the patients, in that they have seen their way clear to spend the £66 7s. 4d. accruing from Repairs and Improvement Fund, as shown.

There have been the characteristic fluctuations in Receipts and Expenditure, and your House Committee trusts that the Balance Sheet submitted will be deemed satisfactory by all Subscribers.

During the year £200 of 3½% War Stock was purchased.

The Shaftesbury Hospital League and other Hospital Leagues have continued to give their much appreciated support, and I note with pleasure the increase in Annual Subscriptions, and Church and Harvest Festival Collections.

Since the close of the year we have received £50 on account of £200 raised by the Shaftesbury Carnival Committee of 1935, as a first instalment. Grateful thanks are due to His Worship the Mayor, R. W. Borley, Esq., J.P., and his good Committee for this very excellent result, which shows an increase over the two previous years.

Under Voluntary Gifts it will be noted that the total shows a slight decrease; this apparently being due to the falling off of one or two items including The "Help Yourself" Society.

It may be noted with pleasure that we have been able to obtain Income Tax arrears as shown.

I should like to close my Report with an expression of warm thanks to the various Committees for their very kind and much appreciated support, and for the valuable assistance I have received from the Chairman of the Finance Committee, and our Hon. Secretary, and also for the confidence of the House Committee and the Chairman, Mr. J. Hastings, J.P. since my appointment at the beginning of the year as Hon. Treasurer on the retirement of Mr. S. Rawlins, your late Hon. Treasurer who, I am glad to hear is now enjoying better health.

W. G. HEPWORTH,
Hon. Treasurer.

Linen Guild Report for 1935.

THE House Committee and the Matron would like to thank members of the Linen Guild for their kind help in keeping the linen cupboard in a very satisfactory state. We extend our thanks to all who contribute in money or in goods to this invaluable object.

This year the Guild provided new Screen Covers, Curtains for private wards, Tableclothes, Pillowcases, Tea Towels, Hand Towels, etc., etc.

It is with regret that we record the resignation of Miss Gatehouse, who has rendered much appreciated service to the Hospital for many years.

The Hon. Treasurer or Hon. Secretary will be much obliged to any one who will send to him Names and Addresses of persons not already contributing, who are likely to subscribe to the Hospital.
